As Your Life Changes, So Should Your Policy

You, like many people, live a busy and active life. As time passes, circumstances change. You are often too busy to think about how your insurance policy should change, too. LeBlanc Insurance Agency can help keep you covered in the event of a loss or other unforeseen event.

Take Advantage of Latest Improvements

Just as you change and grow, so does LeBlanc Insurance Agency. Our policies are constantly improving with new discounts, credits and coverages. We make it our personal commitment to ensure you are taking advantage of all discounts for which you are eligible. With so many discounts available, your present insurance premium could be lowered substantially.

Your Insurance Needs Change Over Time

Let us review your current policy and determine if your policy should be adjusted to better serve your needs both today and down the road. After all, knowing you are well protected is the best policy for peace of mind.

Outstanding Customer Service

For the third consecutive year, Farmers HelpPoint Call Center has been recognized by JD Power and Associates for **Customer Satisfaction Excellence.**

What is a LeBlanc Personal Review?

A LeBlanc Insurance Personal Review of your current insurance policy is our way of helping you design an insurance program to meet your ever-changing insurance needs. There may be events in your life that could greatly impact your insurance coverage such as a job or marital status change, the birth of a child, or the purchase of a home.

A LeBlanc Insurance Personal Review will identify any potential overlaps or gaps in your policy and inform you of discounts or credits for which you qualify. As a LeBlanc Insurance Agency customer, your policy will be reviewed periodically to make sure it changes with you as your life changes.
